

COMPANY PROFILE

PRINT • BRAND • CREATE

www.saltecsolutions.co.tz

Design, print and digital services.

Saltec Solutions

Saltec Solutions brings design, printing, event branding and digital development together. We help organisations prepare the materials and tools they need to communicate, present and operate.

Based in Dar es Salaam and registered with BRELA in 2023, we work from the brief through artwork approval, production or development, and handover.

Websites & business systems

Tools for enquiries and daily work.

Smart Exhibitor

Branded exhibitor pages and enquiry capture, with consent and follow-up management.

Saltec Staff Workspace

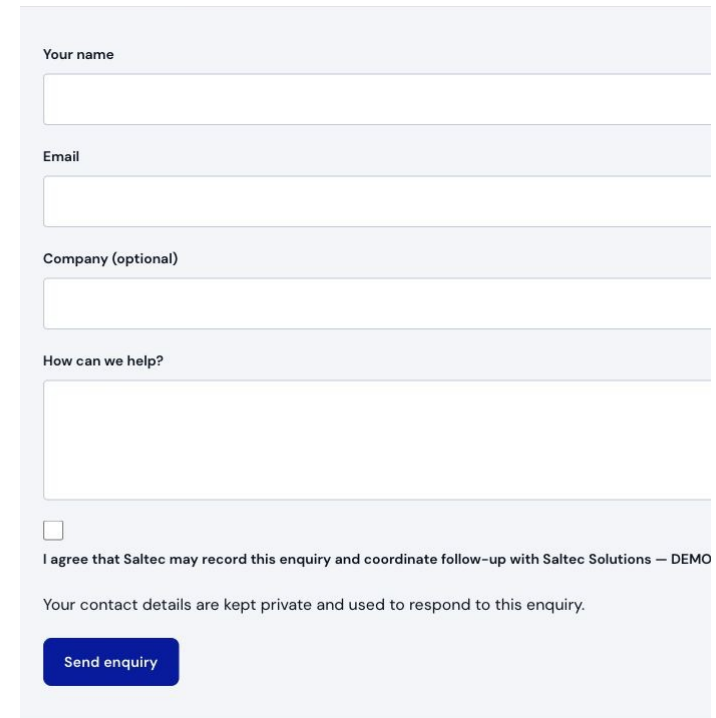

Shared opportunities, tasks, reports and project information, with staff roles and access controls.

Saltec Client Portal

Client access to shared projects, files and order updates.

Smart Exhibitor

Enquiry form detail

A screenshot of a web enquiry form titled 'Smart Exhibitor'. The form is set against a light grey background and contains several input fields. At the top, it says 'Your name' above a text box. Below that is 'Email' above another text box. Then 'Company (optional)' above a text box. Next is 'How can we help?' above a larger text area. At the bottom, there is a checkbox, followed by the text 'I agree that Saltec may record this enquiry and coordinate follow-up with Saltec Solutions — DEMO'. Below this is a smaller line of text: 'Your contact details are kept private and used to respond to this enquiry.' At the very bottom is a dark blue button with the text 'Send enquiry' in white.

From brief to handover

01

Brief

Agree the need, audience, quantities, budget and deadline.

02

Quote

Confirm scope, specifications, price and schedule.

03

Design

Develop the artwork, concept or system workflow.

04

Approve

Review and approve key details before execution.

05

Produce & build

Complete the agreed production or development.

06

Deliver & support

Check the work and hand over files, access or materials.

Our team & working standards

5

Core team members

Based at our head office, with project-based casual workers supporting delivery when needed.

Dar es Salaam, Tanzania

One coordinated brief

Keep design, production and digital requirements aligned through a project contact.

Approved specifications

Confirm artwork, sizes, materials, quantities or system requirements before execution.

Checks before handover

Review deliverables against the agreed scope and resolve outstanding details.

Clear communication

Share progress and raise changes to scope or schedule early.

Talk to Saltec.
